Hvy Group

Industrial Kitchen

As Hvy Group, we produce and install the entire industrial kitchen line, producing functional and aesthetic solutions for the user, as well as individual and space-specific designs.

As Hvy Group, we have successfully installed and projected more than 100 professional kitchen lines in more than 50 countries.

As HVY group, we approach our business partners with the philosophy of "100% Satisfaction" in the projects we undertake at home and abroad.

About The Services

Hvy Group

Furniture Services

We complete the project on time, with the highest level of techniques, in full compliance with the project, at the desired quality and within the budget limits.

We aim to be a reliable and recommended company with an understanding that fully meets transaction requirements and results in all transactions.

Our furniture is prepared with the most up-to-date designs by expert stylists.

Hvy Group

Tabletop

Our priority in the tabletop equipment we use is to use quality, durable products that are suitable for the design of the restaurant.

We care about the elegance and quality of your tables.

We create designs that add value to your meals.

**About The
Services**

Hvy Group

Hotel Textile

By making 3D drawings, we select and produce the products that best suit the concept together with our expert colleagues. We aim to offer a unique experience by using the most suitable raw materials for human health.

We offer different color and fabric alternatives in a wide product network that suits the concept of your hotel.

We make your production by choosing the colors that best suit you, with the fabrics we have carefully selected, to ensure the comfort of your home.

**About The
Services**

Hvy Group

Worker Uniforms

Keeping safety as our top priority, we supply and install the most suitable elevator systems for you.

We pay attention to the health of our employees. We especially prefer breathable fabrics.

We bet your employees will never get bored wearing these clothes.

**About The
Services**

Hvy Group

Wall & Furniture Coverings

We offer modern and stylish coating services using quality, long-lasting wood in accordance with the hotel concept.

The materials we use are first class, long-lasting products.

All coatings are our own production, and we implement the design that best suits you.

**About The
Services**

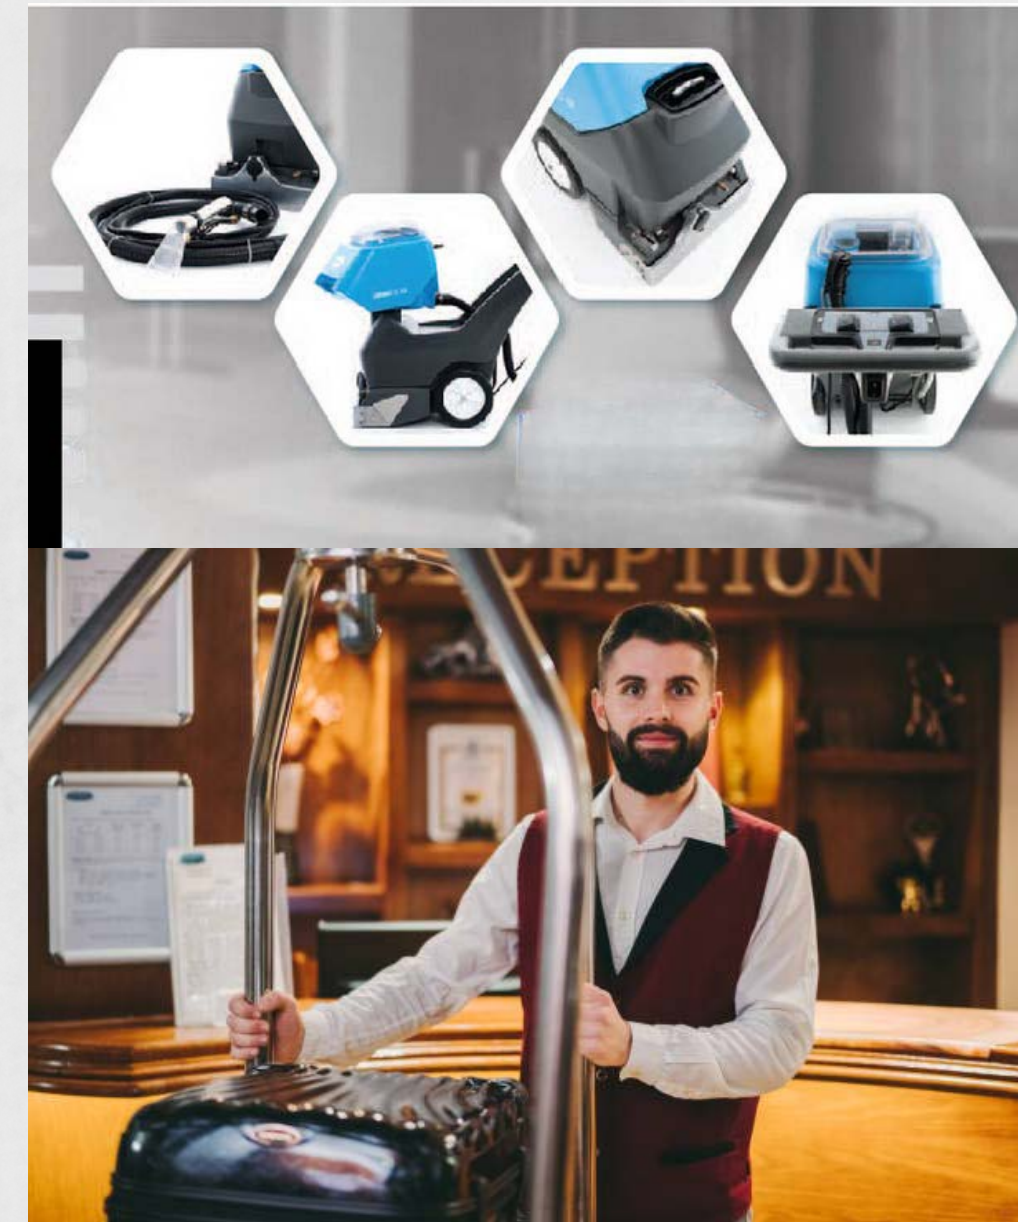

Hvy Group

Floor Cleaning & Reception Equipment

We have adopted the principle of creative thinking by using state-of-the-art products to meet all the needs of our business partners.

We take care to use durable, comfortable, easy and ergonomic products.

Our cleaning materials are produced with the latest technology and by prioritizing human health.

**About The
Services**

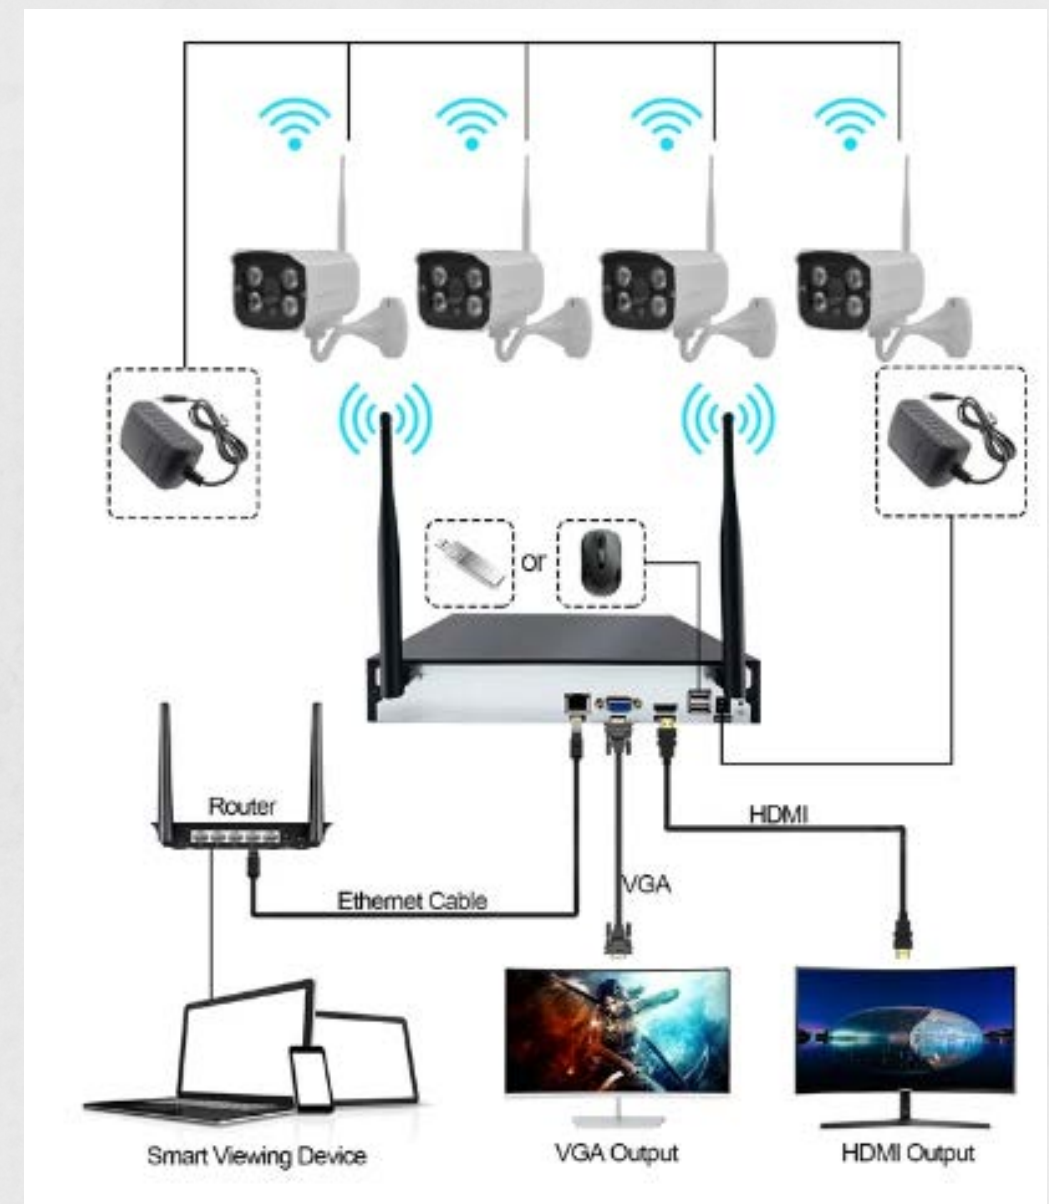

Hvy Group

Cctv and Network

One of the most important issues of our age is technology. We are also very sensitive about sustainability and uninterrupted data transfer in CCTV and networking systems.

We ensure security with the latest technology equipment used

Uninterrupted data transfer and storage

**About The
Services**

Hvy Group

In-room Equipment

We supply every kind of equipment you can think of in a hotel room. We never compromise on the quality and durability of the products.

We supply the electronic devices used by taking into account the electrical conditions of your country.

All equipment used is modern, stylish and supplied in accordance with the hotel concept.

About The Services

Hvy Group

Air Conditioning Systems

By providing quality service in the air conditioning sector, keeping the customer base at the highest level and realizing the projects we expect quickly and accurately. To provide complete service in sales and service by producing professional solutions.

We respond to the needs and demands of our business partners as quickly as possible.

Our aim is to offer you economical, safe, environmentally friendly, high performance air conditioning models.

About The Services

Hvy Group

Wet Area Equipment

To reduce global resource consumption such as water and electricity by minimizing environmental impacts (liquid, gas and solid wastes) that will negatively affect the environment and people while performing our services.

We attach importance to the use of natural fibers in textile products used in wet areas.

All tests of chemical products used in wet areas are carried out.

**About The
Services**

Hvy Group

Elevator Systems

Presentations are typically introduction, or speech meant to inform, persuade, inspire, motivate, or present a new idea/product.

We offer trouble-free and safe ease of use to our valued business partners with our stylish and elegant designs.

We work diligently with an understanding of examining every new technology meticulously and making it safe, practical and usable.

About The Services

Hvy Group

Room Kitchen

We design our esteemed guests in a way that resembles the kitchen of their own home, and we ensure easy use.

We bring the kitchen comfort of your home to hotel rooms.

Easy to use, durable and efficient use

About The Services

Hvy Group

Conference & Meeting Halls

Conference halls, which require significant work in terms of interior architecture, need multiple systems to work simultaneously and have the potential to meet the needs of the hall. The architecture of the hall is designed from start to finish, including lighting, sound and visual systems.

Interior architecture acoustic hall applications
stage systems
Sound, Light and video systems
Floor and seat systems

A perfect equation is established in terms of lighting, ventilation and sound systems.

About The Services

Hvy Group

Light Equipment

We offer the lighting and models most suitable for the hotel concept to our business partners from our wide product catalogue.

We pay attention to the lighting criteria used in every area.

We design by using modern and stylish products in lighting preferences.

**About The
Services**

Hvy Group

Laundry Services

By using state-of-the-art devices, we provide effective cleaning and save time and energy. We make sure that the devices are long-lasting and easy to use.

Effective washing in one go without the need for a second wash.

Using energy-saving devices is one of our priorities.

About The Services

Hvy Group

Decoration

Another important point that shows the elegance of the hotel is the decoration products. The concept is hidden in the fine details, so we think about even the smallest detail.

We work with sculptors who are experts in their fields and bring the sculptures of your dreams to life.

We bring your concept to life by choosing the right decoration products for you with our interior architects.
